July 2014 email: iwla67newsletter@gmail.com

From the President's desk:

First a couple of thank yous.
Thanks to all of those who showed up to help, and shoot at the Jr's rifle event a few Saturdays ago. The kids loved it, there were targets a plenty, and I think more than a couple of budding marksmen amongst their ranks. The kids had a ball!
Secondly, thanks to all who came out for the special shotgun shoot to benefit the trout committee raffle sales. We sold many tickets that will help feed the fishies next year. I am sure the trout folks will have some more ideas up their sleeve.

The driveway has been top dressed with stone, and the club and trap house parking pads are close behind, and it really looks great. As a reminder speed is a major contributing factor to the creation of potholes in a stone driveway, so please obey our 10 mph speed limit when on the grounds.

There will not be guest speakers at the open meetings, probably until October, it's just simply too hot up there to keep you there any longer than necessary, and we don't want our guest speakers to melt either, we may want them back, like Mark the bird guy…..

Don't forget the questionnaire from last month's newsletter, we really need you input.

The big thing this month is the club work morning on Sunday July 20th. We will start at about 7:30 am with coffee and doughnuts, work for about 4 hours, and then feed you lunch around noon. This work detail will involve a number of small projects, both inside and out, so we will be needing many different skill sets and tools. Please email (ghswope@gmail.com) or call me (717-968-2544) if you can come, and if you would prefer to be outside or in, clearing, construction or maintenance, and we will divide our troops into crews.

As always, if you have any questions, concerns or especially complaints, please feel free to call me 717-968-2544.

Gary

Juniors:
The juniors will sell honey at the July open meeting. We will have a limited supply so get while you can. The juniors are planning their annual campout on club grounds the weekend of August 2nd. We will be planning the activities for that weekend at our July open meeting. The juniors would also like to thank all of the members who helped out with our rifle shooting on June 21st. We went through a pile of .22 ammunition and given the cost we thank everyone who brought some to share. The juniors had a great time.

Rifle Range & Pit 1:
Will be closed from 12pm – 4:30pm on July 19th**.** 50 yard range will be open.

Defensive Pistol Training:
We are hosting a Defensive Pistol training session at our club either late this summer or early in the fall. Space will be limited. To enroll or for more information email Chase at cschaszb@yahoo.com

Road Clean Up:
Will be held on Saturday, September 13th at 8am. Meet at the club house for coffee and donuts. Hope you can help out.

Trout Committee:
Our first money raffle for the month of July didn't go so good. We were wishing for more sold tickets. Very disappointing. We will be tearing out the dam and cleaning the intake on Saturday, July 26th starting at 7am. We will have more work days and evenings this summer followed up when we put the dam back in on Saturday, September 27th at 7am.

National Convention:
July 15th – 18th in Anaheim, CA. If you have any concerns for the national convention, please contact Don Robertson at drobertson6966@comast.net

3D Shoots: 7am – 1pm. July 13th, August 3rd, September 14th

Please watch your speed as you travel around the club grounds and close the gate when leaving.

Welcome New Members:
Please give a warm welcome to any new members as you see them on the grounds. Remember, with all new members and existing members, safety on our ranges is a very real concern. If you have questions regarding safety rules, please ask someone.
