

The Delaware Home Owners Association (DMHOA) Training Seminar – Neighbors Helping Neighbors.

A large group of homeowners living in manufactured housing on leased land attended the DMHOA training seminar at Angola Beach & Estates, Saturday 22 June.

DMHOA, a nonprofit organization, is made up of volunteers who live in different manufactured housing communities on leased land in Delaware. So, their sharing of State law, arbitration ins and outs and Legislative information pertinent to homeowners really is “neighbors helping neighbors”.

Bill and Connie Kinnick, President and Secretary of DMHOA are seen here conducting the training and answering questions about how homeowners can protect their most important investment – their home.

Owning your home but having it on land owned by someone else presents interesting and unique challenges. The DMHOA homeowner’s seminar addresses these issues and more. If you missed this training visit dmhoa.org for information on where and where the next seminar will be held.

Attend DMHOA’s Monthly General Membership Meetings. Admission is free and open to anyone living in manufactured housing on leased land. Meetings are held the 4th Monday of every month, begin at 6:30 pm at Angola Beach & Estates Clubhouse, 22971 Suburban Blvd, Lewes. Our next meeting is today Monday June 24th with a Representative from the Dept. of Health & Social Services for Aging and Disabilities as our guest speaker.

Our meetings dates for the rest of the year are *July 22, August 26, Sep 23, Oct 28, Nov 18, Dec 16.*

When it comes to your home, protect yourself by knowing your rights and become a part of an organization that is here to help you – DMHOA.
