FEBRUARY 2019

Pilot Registration

For 2019 early pilot registrations were opened exclusively for those pilots who participated in last year's event. To demonstrate our appreciation for their support a special link to the registration page was provided. This allowed a first opportunity to secure flight line tent rentals which have traditionally sold out in previous years.

Early registrations were released on January 9th and in the short time since then we are enjoying outstanding results. As I write 74 pilots have pre-registered for Air Supremacy 2019 which represents a 76% return rate. Thanks to all who have shown their support.

Pilot registrations for all will be released on February 1st and will be available from the **Pilot's Information** page on the website; www.flygoshen.com. If you attended last year and wish to register before the general release please contact me at rjmonroe@flygoshen.com.

SPECIAL HOTEL RATES FOR 2019

We have negotiated a block of rooms, for registered pilots, at the Quality Inn just a few miles from the flying site. A special rate of \$90 has been negotiated for you.

Pre-registered pilots will receive the details after you submit your registration.

Flight Line Tent Rentals

There are a few 10' x 20' tent slots available on the flight line for your convenience. However, due to a reduction in the availability of this size we are limiting 10' x 20' tent slots to 1 per pilot. We have 5 months until show time and expect these slots to sell out. You must register and prepay to secure your slot. Don't wait ... register today!
