Still working a 5 1/2 day week and, for the most part, enjoying what I do. Still producing: just finished co-producing Spike Lee's new feature, [Da Sweet Blood of Jesus](#); in post-production of a two-hour documentary on Lorraine [Hansberry](#) for PBS; and in pre-production of a feature film with [Kiefer](#) and Donald Sutherland. I teach two nights a week at The New School University and [Montclair](#) State University. And in 2012 I went back to my first love, acting, and have been in a lot of shorts, features and network episodes, most recently for the Discovery Channel's new series, *Mansions and Murders*, in which I play a millionaire embezzler. My wife, three children and seven grandchildren all thriving!

Best,
