

25. Bonnie Turner - Sunflower Stitchery Supply

Sunflower Stitchery Folder by Crab Apple Hill

In this class we will do some crayon coloring and shading.

Basic to advanced embroidery techniques will be covered.

It is helpful to come to class with the design already transferred to your fabric so we can start right in on all the fun.

Supplies

Pattern required

Supplies as listed on pattern

Scissors - paper and embroidery

Embroidery hoop

Assorted threads - You do not need them all as you will not get that far. Most important are colors for your stem work.
