HOLY FAMILY COUNCIL OF CATHOLIC WOMEN

Karen Fawbush President

Karen Fawbush, President met with our new Parish Priest Fr. Wheaton in August to discuss the role of HFCCW. Father Wheaton expressed his views and expectations for our parish and council. Together Karen and Father brainstormed new ideas for the coming year.

Karen worked on bylaws for the HFCCW during the summer and presented them to the members at the September Meeting. Along with an Attachment of the Roles and Assignments for the Officers. At the October meeting the Bylaws were discussed with corrections and additions added. The final copy was sent out and will have the final copy at the November 9th meeting.

We donated a basket to GMAC fund raising event held in August.

Barbara Larsen is our designate Special Projects Chair and will be collecting hygiene items for CCS through the year.

HFCC members supported the special Fatima rosary on October 14th at our Ladies Grotto. Thanks to Angie Ford for putting this special event together.

We had a recruitment weekend on October 7-8. Karen spoke at all the masses to encourage women to become active and volunteer. We handed out a flyer with CCW information on it. We had a very good response from women who are interested.

We held our annual Spaghetti Dinner on October 14th. It was a huge success. There was a lot of planning and work put into this dinner. We had approximately 175 people attended that we know of for sure.

Our November 2nd meeting is changed to November 9th. The 2nd is All Saints Day. On the 9th we will have special guest speakers from Lindquist Mortuary come and do a presentation and answer questions on end of life planning and funeral arrangements. Father Wheaton will also be on hand to answer questions regarding Catholic traditions. All women are invited.

PRESIDENTS REPORT

Northern Deanery President

Sylvia Orosco

We had our Northern Deanery Meeting on November 4th St Joseph Parrish Hosted it. St Josephs new Priest Father Joe presented a short talk about his background. He comes from a family of four children . His family lives in West Valley. He converted to being a Catholic in his teens. He says St. Josephs has presented many challenges for him as a priest He emphasized that CCW needs to be considered as an opportunity for service to the community where the image of Christ is shown first. He thanked CCW for their service. It was great having him present at our meeting.

I thanked the Northern Deanery for the fantastic opportunity they gave me to be able to attend the National Convention in Dallas in September. I went over the highlights that meant the most to me about the convention. I said everyone should have the chance to attend a National Convention.

We started selling raffles for our Deanery fund raiser a quilt that Jane Mathis again donated to our Deanery. Each of our Northern Deanery Parishes will take two weeks with the quilt and sell tickets. We will draw the lucky ticket in January. The Northern Deanery is doing a Coat Drive for our project to the community for the Weber County Jail. Dr Kay Haw Nursing Administer gets donations for the in-mates that are jailed for 6 or 7 months and have no winter coats or sweaters to wear when they leave. I will be picking up the coats or sweaters from each of the parishes.

Our next Northern Deanery will be in February we will be having elections for new officers and in March will be our final meeting and we will be installing our new officers before convention in April.
