

Godly Women Are Survivors

Proverbs 31:28-31 (1 Pet 3:3) Judging a woman by her grace and her charm is deceptive. The true value of a woman ought to be measured by a quality that is of enduring value, her relationship with God. If she is a godly woman, she should be praised by her husband, children and community. These verses remind us we ought to praise godly women and mothers.

Many women are survivors of some very difficult circumstances. We honor you today and want you to know you are not alone. The Bible records the account of one woman who survived a very difficult experience. Her name is Hannah in 1 Samuel.
