**We heard you would like to SAVE on your next video project...
CourtHouseVideos would like to quote you on that!**

Our Cameramen do much more than deposition videos. We use our knowledge, skill, and video & photography equipment to provide a number of audio/video related services to the litigation industry.

Clients save 15% off any written & verifiable competitors shooting quote with comparable quality prior to contracting.

20% referral fee or price reduction to client off our rate sheet.
