"So live your life that the fear of death can never enter your heart. Trouble no one about their religion; respect others in their view and demand that they respect yours. Love your life, perfect your life, beautify all things in your life. Seek to make your life long and its purpose in the service of your people..." Chief Tecumseh.

So, live YOUR life; not the life other people think you should have, but YOUR life. Let's find something every day to nurture our souls and "beautify all things" in our lives. Fulfillment comes in many ways, but it starts from within. Share as you wish and have a fulfilling week. :)
