

College Board Workshop

Friday, Feb. 8, 2019 9:00am-2:30pm \$50

ROE #8 Office 27 S. State Avenue in Freeport, IL

SAT Suite of Assessments Overview and Data Analysis

This session will provide attendees with key updates regarding the ISBE-sponsored administration of SAT, PSAT 10 and PSAT 8/9. Attendees will review updates to the College Board Assessment Reporting Portal, set up access to SAT Suite data, and be given time to analyze reports for instructional planning purposes to best meet the needs of students. Attendees should have access to the College Board Assessment Reporting Portal for this workshop. The session will also focus on key updates to Official SAT Practice on Khan Academy, and discuss best practices for assisting students on their path to college readiness.

Consider sending a team from your school to be sure you have the latest information about the resources available to best prepare your students for the assessments.
