PRESIDENT'S CORNER

Mike McBride

To all Creciente Homeowners:

Some of you may have returned to your Northern home and hope that you experienced safe travels.

The garage project is just about to get underway. It is a very extensive project, but we feel that both the contractor and the engineer who were chosen will make this project a smooth one.

Should you have any questions or concerns during the project, please do not hesitate to contact the office staff.

Planning any remodeling or alterations this summer, please don't forget to submit your request to modify to the office for approval.

Everyone, please have a fantastic summer!
