PRESCHOOL THEME OF THE MONTH:

This month's theme in our Preschool and Baby classes is All About Me! Teachers have been passing out a coloring page to their classes that we would love to have the kids fill out and turn back in so we can hang them on our wall! If you did not receive one and would like one, we have them available in our office. Older students are welcome to fill these out as well! This month, teachers will be learning about their students as well as the students learning about their teachers!

STUDENT OF THE MONTH:

We will be starting our Student of the month the beginning of October. We will surprise 4 students every month who we feel deserve to be students of the month by sneaking a yard sign with student of the month and our logo into their yard as well as a small goody bag with treats! If you find one of these signs in your yard, please take a picture of your child next to the sign and email it to robertsdanceinfo@yahoo.com so we can post it on our face book page! You have the option of keeping the sign in your yard until the first of the following month (then you would drop it off at the studio) or if you would prefer not to keep it in your yard for a month, please drop it off at the studio during your child's next lesson.

Here is to a great first month!! Any questions, please email or call us anytime!
