LICK PUDDING

From a plate...NO HANDS!!!

(Applesauce/ice cream/???)

0 - 99 Grid Activities (download grid)

- Point to the numbers as you count.
- Lay a paper clip or penny on each square as you count.
Possibly, they may let you keep the pennies if you identified it correctly!!
- Do you see a number pattern in the rows?
(same "line leader")
- Do you see a number pattern in the columns?
(same "partner")
- Count by ones...touching each number
- Count by tens....touching each number
- count by 5's...touching each number
- Toss a penny or button on the grid. Name the number it landed on.
- Count backwards from 10, touching each number.
- Cut apart and lay in order.
- Use the blank grid to make your own.

After the 99, is the number 100

Write this 3 digit number

Write 101

Challenge you to go farther!!!
