NCJW SE Atlantic Welcomes Sheila Katz, New CEO of NCJW Inc.

NCJW Inc. welcomed a new CEO this past June. Sheila Katz joined our National organization this summer after working with Hillel International for 12 years. Sheila, at age 35, was Senior Vice President for student engagement and leadership.

Sheila brings that youthful, yet determined, spirit to NCJW at a time when it is sorely needed. As she stated in an interview with Washington Jewish Week recently, she "will be focused on advocating and lobbying on four issues central to the Jewish Feminist organization's mission: reproductive rights and access to health care, a strong and independent judiciary, civic engagements and voting rights, and promoting inclusive policies in Israel."

Beatrice Kahn, NCJW Inc's President, said of Sheila, "Through her deep experience giving a voice to young activists and developing innovative approaches to critical problems in the Jewish Community, Sheila has her finger on the pulse of today's women's movement."

We at NCJW SE Atlantic Section wish Sheila the best of luck and look forward to meeting her in person at a future event.

Holiday on Wheels

Dear NCJW Mitzvah Mamas and Papas,

As you've read in previous Bulletins our Community Service Projects were very successful last year and we will continue that success, adding even more, this coming season.

We begin with HOW, Holiday on Wheels. Although dates and times are not confirmed as yet, please keep the two weeks before Yom Tov, September 15-26, on your radar to volunteer for presentations at the following facilities: SONATA, 9591 Yamato Rd. Boca, PHOENIX, Linton Blvd, BARRINGTON TERRACE, 14253 Congress Ave., BOYNTON HEALTH 7900 Ventura Center Way, GRANDVILLA WEST, 5859 Heritage Park Way, Delray and BROOKDALE BOYNTON 8220 Jog Rd.

Please take a look at these locations and see what works for you so when dates and times ARE posted you will know exactly where you would like to volunteer. Cynthia Shulman, Master Mitzvah Mama, will be making calls to facilities and getting that information to us as soon as she can. Thank you, Cynthia, in advance for this extraordinary effort. I can never thank you enough for starting so early.

Marsha Lotstein and her team, Jodi Blumenfeld, Carole Valera, Elaine Zuckerman, and Beverly Koenigsberg have not only made our Kid's Community Closet project a roaring success for the four schools we are currently serving, but have a plan to expand our services to three or four additional schools. This season Jodi Blumenfeld will be leading the team. Watch for information on how you can help.

Renee Marcus did her usual extraordinary job with pre-school eye screening, which will be run after the New Year. Keep your eyes open for that information as this calendar year ends and 2020 begins.

Looking forward to seeing you anywhere and everywhere informed, compassionate, action oriented women are.

Helene Grantz, VP of Community Services

KOINS FOR KIDS

We are pleased to announce a new fund raising program called Koins for Kids. Many of us save change in Tzedakah Boxes, banks, etc. Let's put the money that is sitting idle to good use. We kindly request that you donate your change to Koins for Kids. All the money collected will go exclusively to our section's programs for children. Coins will be collected at designated events throughout the year; check the monthly bulletin for the dates when we will be collecting coins. To start off this fund raising campaign, please bring any change you would like to contribute to our Welcome Back Brunch at Valencia Falls on September 18, 2019. Look for the sign "Koins for Kids" where there will be bins for you to deposit your coins. No amount is too small -- all coins are welcome and will contribute to the success of this program.

Janie Brogan, Koins for Kids Chairperson,

Human Trafficking

Susan Kanoff, Arlene Davidson, and Janet Chaikin at the Symposium of the Palm Beach County Sheriff's Office Human Trafficking Task Force. Melissa McKinley, our District Commissioner, even mentioned the original symposium, which originated through the efforts of our NCJW section.

We have had two exciting trafficking activities this past month:

1. Richard Davidson spoke to the Current Events Club at the Grove in Boynton Beach. This group grew out of their Democratic Club of their community and meets weekly. They chose Modern Day Slavery as their topic for the week, and Richard, after providing some updated info, guided their discussion. It was very well received. Does anyone know of a Current Events Club looking for a discussion leader? We could do this in places where we have already sent a Human Trafficking speaker. Call me if you know of any group who might be interested.

2. We have a new meet-up location which is perfect for the needs of our group of 30+ outreachers! The Spanish River Church on Yamato Road is convenient, large, has lots of available parking and is very centrally located.

One of the desk clerks at a hotel we recently visited recognized one of the kids whose picture we provided! The police were notified. The next outreach will be on Saturday, August 10th. Please join us if you have been trained. If not, let me know, and I'll arrange for a training session for you.

Advocacy

On July 23, Elaine Abrams, Arlene Davidson, Ellie Mero and I visited with State Representative Mike Caruso (R) in Boca Raton. Our primary goal was to introduce him to our section and see if there was legislation we could work on together.

The next day Laurie Tamber, Ilene Lark Teitler and I met with State Senator Lori Berman (D) in Boynton Beach. She is a member of our NCJW section and very familiar with our work. Both meetings were very productive.

Rep. Caruso now knows who we are and what we do. Lori Berman would love our support on legislation she is currently working on to make sure that school drinking water is lead free and to establish an "orange alert" for missing individuals with autism, similar to the amber alert.

We left teen trafficking posters with both legislators, who were appreciative and interested in hearing about the many programs we are involved in. We will be meeting with Rep. Tina Scott Polsky (D) on August 22nd.

Our next Advocacy Committee meeting is September 13 at the Hagen Ranch Rd library at 10 AM. Please join us!

#NoGagRule

It's all eyes on the U.S. Senate to protect access to birth control and other reproductive health care by passing the Title X protection. That means we have to keep calling — again and again — until they get the message.

The Title X gag rule is unethical, dangerous, and illegal. It puts access to birth control, cancer screenings, and other reproductive health care at risk for 4 million people. It mirrors the global gag rule, which violates human rights and is causing communities around the world to lose access to vital health information and services, including birth control, HIV prevention and treatment, and maternal health care.

Call [1-202-601-3441](tel:1-202-601-3441) to be patched through to your Senator's DC office -- demand you Senator protect access to birth control and Title X and reject all gag rules.
