

Minutes for Nov 1 Planning and Zoning board meeting.

Members Present. John Miedema, Clint Cook Luke Eising, Rachel Belcher, and Donald Maxson

Meeting started at 7:04 and Public Comment was given by several people who were viewing the agenda for the night. Including Joe Wozniak , and Dave Grevles.

There was a handout of 2 proposals from members concerning the Temporary Event ordinance and its modification. One proposal was an elimination of these events and the other was to add stipulations on the timing of the proof of insurance to 30 days prior also to mandate a public hearing with the Planning board and the move of these events to the mixed use corridor. After lively debate both of these proposals were shelved. There was a motion by Clint Cook to vote on the elimination proposal and no second was given. We tabled the debate as it seemed that no consensus was reached.

We then interviewed 3 candidates for the Planning board who included Laurie Deaters, Shelly Cook, and Dave Grevles. The meeting was closed and then we discussed these candidates as well as the previous other 2 candidates of Dave Fast and Jeremy Rusilowski.

We then had a roll call vote with Laurie Deaters, Shelly Cook (Clint Abstained from this vote) and Dave Grevles being those that were chosen by the board to send forward for approval from the main board. We did recommend Dave fast for the zoning board of appeals if he was interested.
