Quotes:

“Throughout her family’s frequent station moves, she has proven to be both conscientious and resilient. Instilled in her from a young age is a dedication to her country, an awareness that not only her father serves but her family does also..... I whole-heartedly believe this applicant is a deserving recipient of an Anchor Scholarship...” **Stephanie Alligood** - Community Volunteer

“Thanks to your support, I will be able to go into my dream major: Animation and Digital Arts. Through my time at FSU, I hope to go into the film field as soon as possible and to one day make animated films that inspire new generations, just as the films that inspired me as I grew up. Thank you for your support in helping me to achieve this dream.” **Corinne**
