Our Mission

District 279 Foundation is a nonprofit 501(c)3 organization that seeks to support and enhance the district's dedication to all students in Osseo Area Schools. Our vision is to provide learning opportunities for students by funding programs, projects and other opportunities that are not presently available through the district's budget. We focus on supporting students by funding innovative and creative projects and celebrating their achievements and success stories at the Investment in Youth celebration. Serving the fifth-largest school district in the state of Minnesota, our programs serve students in all or parts of Brooklyn Center, Brooklyn Park, Corcoran, Dayton, Maple Grove, Osseo, Plymouth, and Rogers. District 279 Foundation partners with the school district, parents, students, volunteers, city officials, civic organizations and the business community to support and make a difference in Osseo Area Schools. District 279 Foundation believes there is a moral, social and economic imperative to support student success and equitable student achievement.
