ONE ISLAND FAMILY COMMUNITY NEWS:

LELAND HURD is graduating from Key West High School with the class of 2020! Congratulations, Leland, and to your Mom who made it all possible! (His proud Mom is Claire Hurd!)

RON SELGE reports that he and JJ finally got back to California as of May 16, after their long quarantine in Spain. They are fine, but under a 14 day self-quarantine per US Customs requirement.

He says "Our trip entailed a 2 hours bullet train up to Madrid, overnight there, and American Airlines through DFW to San Francisco. Spain was quite rigorous about health screenings, check points and contagion control. Texas was shockingly "loosey-goosey." The flight from Europe on an 787 Dreamliner was almost like our own private flight.. . No crystal ball as to when we get back to the keys. Our hope is next winter per usual. We've focused back on our local Sacramento UU, which is still zooming: Sunday service, midweek "Vespers," and various special interest groups.

CHARLOTTE SHELTON, Ron's daughter, graduated from Emory University in Georgia this month while staying sequestered at his house in Big Pine Key. Congratulations, Charlotte!
