1. Congratulations to the DELCO League's Undefeated Division A Swim Champs – 3 Years Running!

Congratulations to all of our Tiger Sharks swimmers for their incredible 2017 season! The swim team extends its streak to *THREE* years of undefeated competition.

This year, coach Josh Pace accepted the Bob Feherly A Division Championship Trophy on our very own pool deck as we hosted Division Championships. Be sure to check out all of the great pictures posted on our [Facebook page](#). Our swimmers continued to make a huge splash at the league's "Meet of Champs" and "Elite Meet" which collectively showcases the top swimming talent throughout Delaware County.

Be sure to congratulate our swimmers, coaches and volunteers when you see them on the pool deck in August.

GREAT JOB SWIMMERS!

2. Notice of SEPTA Track Work Impacting Club Access

There's SEPTA track work occurring throughout August that will require you to proceed with caution when visiting and leaving the club. Although the track work will be happening between our first access road water crossing and the Scenic Road trolley stop, members should expect to contend with heavy machinery and material staging along our access and in our parking lot.

Work is planned around the clock during the weekends of August 11th (crab night is the 12th), 18th, and the 25th. Our entrance sign will be temporarily removed to allow access for some of the large trucks entering the property but access shouldn't be obstructed at any time.

Please take the time to inform your walkers and bike riders of the work weekends. Make sure they follow the directions of the flagmen and exercise caution when on the access road.

3. Upcoming Social Events

The **9th Annual Adult Crab Social & BYOB** is planned for 6:30 pm and midnight on **Saturday, August 12th**. Purchase a \$25.00 crab ticket for all-you-can-eat crabs to go along with the apps, treats and cocktails you're bringing with you. You don't have to be a crab consumer to join the party – just leave the kids behind with the glass casserole dishes, embrace the aluminum can renaissance that's single handedly driving the craft beer industry, and head down to the pool for an evening of fun with friends, food, music, and games. Our neighbor Paul Scheb will be providing the entertainment this year so start planning your music requests now!

Tickets for all-you-can-eat crabs are available at the front desk thru Sunday, August 6th.

ALL GLASS BOTTLES AND CONTAINERS ARE STRICTLY FORBIDDEN!
