

May 2020

Notes from the Supervisor

Spring has finally sprung!

We continue to be COVID free in Cohocton, keep up the good effort.

Our Police have been very busy this past month. Barry has been installing new water meters again. The highway department is out there cleaning up and working hard. Thank you to our Ambulance staff and volunteers for their continued dedication, as well as our Fire people.

If your organization would like to volunteer to help clean up trash on the roadside, please contact me at [townofcohocton@aol.com](mailto:townofcohocton@aol.com) or 534-5100 ext. 4. We can schedule 2 weeks as Roadside Cleanup Weeks in the town.

Hopefully in the next few weeks all offices and businesses will be opening to the public. Please watch for the rules that will be necessary for everyone to stay safe. I am at the town hall Mon, Tue, Thursday and Friday 9 to 1:00.

The Town Board meetings are being posted on YouTube. Thank you to Tom Flansburg, from Freemont for doing this.

The Town Board decided to postpone a public hearing on the repeal of the Amendment to the Law allowing the turbine height in the town to 650 feet, until an open meeting for all could be conducted. This amendment is about the height allowance only. You can make your feelings known by email or letter to the town clerk or supervisor before then. Over 40 comments were read at this week's board meeting.

The Planning Board meeting on June 4 will be held in the town hall in Atlanta, to allow for more people to attend. The meeting is at 7:00pm.

Town Board meetings are the third Tuesday at 7:00. Ambulance Commission meets the second Monday at 7:00. Hope to see you there.

Have a safe and peaceful Memorial Day,  
Judi Hall
