Professional Engineer Trainees

**RESPECT THE LIMITATIONS  
OF THOSE WHO ARE ASSISTING YOU**

R/W or into an FDOT storm water system, the drainage facility owner shall obtain a drainage connection permit in lieu of a utility permit (See **Rule Chapter 14-86, F.A.C.**).

Obtaining an FDOT drainage connection permit or utility permit does not relieve the owner of their responsibility to comply with the Florida Department of Environmental Protection's (DEP) National Pollutant Discharge Elimination System (NPDES) permitting requirements (see **Chapter 373, F.S. Part IV** and **Rule Chapter 62-25, F.A.C.**) or any other authority's permitting requirements.

## **1.8 UAM DISPUTE RESOLUTION**

If the UAO desires to resolve a dispute with an FDOT district or the Turnpike Enterprise, the UAO shall request a review by the FDOT State Utilities Engineer.

## **1.9 ONE CALL NOTIFICATION**

The UAO shall notify the Sunshine State One-Call System (811) prior to any excavation or demolition activities in accordance with **Chapter 556, F.S.** This shall not relieve the UAO from their obligation to notify FDOT as required by the permit or by the **UAM** FDOT contact information is
