From—Linn Co Historical Museum

Dear Bill,

Upon looking at this spot I have in mind for an encampment, I see that Actually, it would be really great to have tents up. And it would help create a backdrop for that part of the event and I think there easily would be room there for 2 (maybe 3) large tents and a good cook fire. What I have in mind for you is the courtyard (just outside our front door!) for your blacksmithing...another option for your forge would be up next to these folks. Also the sourdough folks would probably be there. Looking forward to talking with you about this and finding some folks that would be interested in representing the trapper era. I'm sure that would add soooo much to our gathering. Nothing draws folks like a campfire!

Thanks,  
Wendy

Wendy,

I like that idea.

I'm up out of Joseph Oregon and will be back Tuesday evening.

Our club shoot is on the third Saturday of the month. I will bring this up. And see if I can round up a few folks.

Hi there, Bill

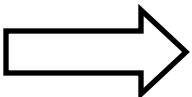

Bill

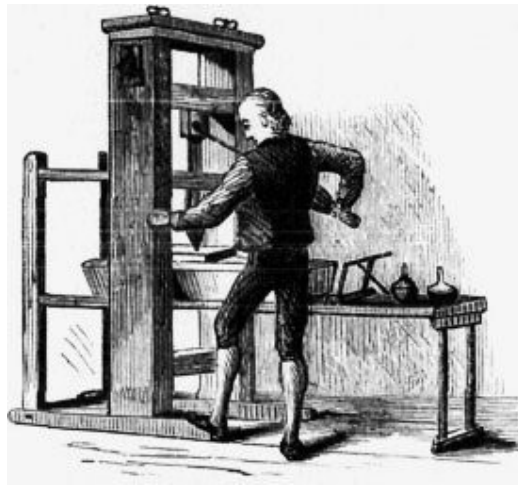

Well, I've had a chance to talk with the Brownsville city council guy (Scott McDowell) and the head of Linn Parks (Brian Carroll) to get their approval for this idea I have that might make things easier for the Brigade and you: They and you would be welcome to set up on Friday, the day before the event, August 24. And I have approval for you and them to camp there as well. Turns out there are public restrooms on Spaulding just a spit and a stone's throw from there that are open 24/7. There is also Pioneer Park where Tom Marquette will be camping. For both of these places, we have special permission and it won't cost you all anything since you're part of the museum event. As I was saying before, it would work for you to have your forge right there with the encampment if you want. The other place for you I had in mind is in our courtyard just outside our front door. I would need to know if you want to camp so I can get permits for you.

I'm hoping this helps sweeten the pot! And if you could let them know that we can pay for transportation and a bit for being there as well. My hope is that a big draw of their participation for the public would be to see how folks would cook over an open fire. And I'm not sure if I mentioned this, but the sourdough bread folks who are coming would like to put a dutch oven there in the fire to bake some of their bread.

Is your shoot coming up on the 21st? My brother and I would love to come up and meet you all if so. He's visiting from Colorado arriving a few days before. HE LOVES that kind of stuff. It'd probably end up being the favorite part of his visit!

Latest  
Communications

Folks,

As many of you know.

I've been publishing the newsletter for some time now. I see it as a vital component of our club. And a responsibility to keep all of the club members informed of club business, and shoots. And communicate to those that may have an interest in Muzzleloading (future members???) . And a potential medium in discussing the history of our local area, and our nation from the mid-1700's to the time around 1840. Specifically the "Fur Trading Era".

The newsletter is a medium to communicate with other clubs. Not only in the Pacific Northwest, literally across our nation. We have quite a circulation and distribution to get the word out there.

With that being said, it's time for someone else to pick up the newsletter's monthly publication. My second term as your club's elected president will end this September. And, please accept my warmest "Thank you" for the opportunity to serve you in several positions. Over the past four of the nearly six years that I've been a member. (I'd like very much to take a break, and just shoot, and go to rendezvous. And learn some primitive skills, and apply them trekking...., etc. And of course be spending much more time with my bride of 37 years. Riding our horses in the high cascades. And there's more.... )

So, it's time for one of you to step out of the ranks. And pick up this important task on behalf of our brothers and sisters of Forest Hills Black Powder Brigade. And the "Muzzleloading Nation" !!!!

Please let me know if you are interested. I will mentor you in the process of the development. Using "Office 365—Publishers", to produce the newsletter. Convert it to PDF. And finally "Bcc" the product and send it by way of the current distribution list.

Thanks in advance for your consideration.

Smiley

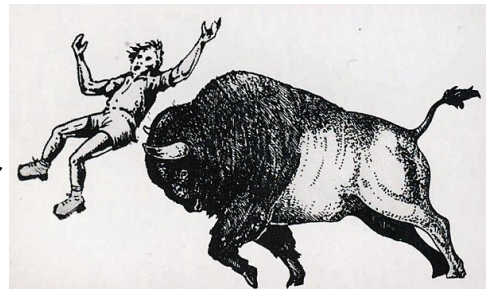

Let me know if you would like to have any items of interest, for sale or trade. Upcoming events, etc....

And I will post it in the upcoming monthly newsletter.

FORT UMPQUA MUZZLELOADERS  
PO BOX 566  
SPRINGFIELD OR 97477  
MARCH 2018

MEETING: Monday, March 19, 6:30 pm, American Legion Hall, 8<sup>th</sup> & C St., Springfield, left side.

SHOOT: Saturday, March 31, 10 am, McGowan Creek Rifle Range, off Marcola Rd. We will be on the pistol range and will have use of the clubhouse for potluck. Details of the shoot (targets) will be decided later. Shoot fee is \$5. Period clothing encouraged.

FEBRUARY SHOOT RESULTS As reported by Walt Evens who stepped in due to the absence of Tim, Lorraine and myself:

We had a total of eight shooters. John Grimes officiated which allowed me to be one of the eight. He set up ten clangers with the help of Jim Eikenberry. We started with the bulls-eye targets we buy from the club followed by the smiley face with the apple on top; five shots each. After removing the target stands, we commenced to shooting the gongs with two shots each. John decided to keep score. Nick was a bit upset as he thought it was going to be a "fun" shoot so he brought his Trade Gun. (Lucky for the other shooters as Nick is pretty good with a rifle. Hang in there, Nick, we just might add a match for trade gun only some time this year -MM.)

**Bullseye (5 shots, 10 points each)**

1. Bruce Cameron - 46
2. Walt Evens - 45
3. Dave Johnson - 45
4. Ken Putman - 44
5. Dave Carlstrom - 42
6. Bill Klesinger - 37
7. Jim Eikenberry - 36
8. Nick Hanauska - 0

**Smiley Face/Apple (5 shots, 10 + 5)**

1. Bruce Cameron - 30
2. Dave Carlstrom - 30
3. Walt Evens - 25
4. Dave Johnson - 25
5. Nick Hanauska - 20
6. Ken Putman - 20
7. Jim Eikenberry - 20
8. Bill Klesinger - 20

**Clangers (20 shot total, 5 points each)**

1. Bruce Cameron - 85
2. Walt Evens - 80
3. Bill Klesinger
4. Ken Putman
5. Dave Carlstrom - 55
6. Jim Eikenberry - 40
7. Dave Johnson - 35
8. Nick Hanauska - 0

Aggregate totals - 1 - Bruce Cameron - 161, 2 - Walt Evens - 150, 3 - Bill Klesinger - 127, 4 - Ken Putman - 124, 5 - Dave Carlstrom - 124, 6 - Jim Eikenberry - 96, 7 - Dave Johnson - 85, Nick Hanauska - 20.

Not everyone brought food so we all went home when we were done. Everybody seemed to have a good time. I know I did! I misunderstood the paperwork. John Grimes was helping me. Instead of taking the 3 hours we have the range times the number of shooters, etc, we did actual time which we figured at 2.5 hours. I didn't realize my mistake until after I had filled out the form. The reason we were on the pistol range is because there was a YHEC (Youth Hunting and Education Challenge) competition going on. This is the Eugene/Springfield Chapter. The kids on the MP range were shooting muzzleloaders; in-lines mostly. I only had the older club cards with me but each parent got one. I will contact the person in charge to invite these youngsters and their parents to the next shoot! -Walt

Prez Tim Hayden has suggested we have a yearly aggregate score. I will have to think about how to do that but fortunately I still had the full results for the January shoot and can do that if I get the same for the other months. And while we are on the subject of the monthly shoots we have learned we should not expect the same people to do the same job every month so the suggestion is members consider volunteering to run a shoot (I may pick October). We have a good supply of targets available including clangers and if you have been thinking about a match you have seen or done that would be fun go ahead and volunteer. Anyone interested will need to call Tim for information about paperwork that needs to be done for the range and other details. I will be scorekeeper when I can. Tim's phone number is 541-515-0468.

At the meeting of Feb. 19 we discussed the Frontier Heritage Fair and Tim did a spontaneous talk about historical trekking. We (or the guys anyway) just might do that this fall. Early warning...
