

## *The Tale of Charlettee*

### *My Next Chapter*

Before I tell you about my exciting new adventure, let me bring you up to speed.

I continued racing in 2019 and 2020. I tried hard but my heart wasn't in it. Racing just wasn't my forte. I finished second, third and a few fourths but I never broke my maiden.

My parents listened to me. They knew I wanted to do something and started putting a plan together. I was being retired from racing and came back to the farm for a few weeks to spend time with everyone. Then I packed my bags and went to New Beginnings Thoroughbreds in New Jersey. What a great place!

The people at New Beginnings Thoroughbreds are wonderful and helped me to unwind from track life and get me ready for my next adventure. My parents visited me here and I couldn't thank them enough!

Before long, someone wanted to adopt me. I can't say that I'm surprised - I am a gorgeous chestnut with style and flair!

So proud to be a graduate of New Beginnings Thoroughbreds, I thanked everyone and off to Maine I went. I'm glad mom remembered to give me my winter coat!

I arrived at Pendragon Farm Equestrian Center and received the warmest welcome from the nicest people!! I learned new things like jumping and everyone wants to admire me. I get pampered and even got a new halter with bling! I love it here!

I recently started to perform in shows. I hope you can all catch my act someday. I feel I can truly shine now with the help from everyone at Pendragon! We are a great fit and best of all, I love them and they love me!

Well, I must go to practice now. If you want to see more of me, follow Pendragon Farm Equestrian Center on Facebook or Pendragon\_Eventing on Instagram!

So long for now!
