5. *The Course Overall*

5.3) Please discuss any and all strengths and weaknesses related to this course:

- Dr. Scuaso is an incredibly passionate, thorough professor who cares about the course material as well as his students' best interests! Although he challenges those who are interested in learning more, he provides a safe learning environment for a 200-level course as well.
- Great course and professor, would recommend class to other students.
- The professor could not have taught this class better. I fully absorbed the material and understood it, rather than simply remembering facts for the test. I feel prepared and confident that I am prepared fora higher level class only because of Professor Scauso's tireless efforts to make sure the content was learned and understood.
