

Montgomery County Council of PTAs
P.O. Box 10754
500 N. Washington St
Rockville, MD 20849

July 29, 2019

Welcome to the opportunity to add your voice in support of our quality of education and community across all corners of Montgomery County! We are pleased to invite you to join in the support of the students, parents and educators in Montgomery County through sponsorship of the Montgomery County Council of PTAs (MCCPTA).

MCCPTA is the council organization for the 194 PTAs and PTSAs in Montgomery County, representing over 50,000 members. We advocate for our students and school communities in educational issues at the local, county, and state levels, and support our local PT(S)As in maintaining strong organizations at each of the public schools in Montgomery County.

As a sponsor of MCCPTA, your support would enable us to continue providing training for our volunteer leaders, conduct programs and workshops to inform our parents and communities, and acknowledge the contributions of our leaders and administrators at our Annual Celebration of Excellence Event. We offer various Sponsorship levels, all with the opportunity for our members and other supporters to learn more about your business. Sponsorship offers options to have your logo and link to your website placed on our website, www.MCCPTA.org, exhibit at our Fall and/or Spring Training, as well as attend our annual event held in May.

Attached you will find the Sponsorship Opportunities information, which provides details about the benefits to sponsors at each level of support and a Sponsor form.

We look forward to your support as we continue to advocate for the students in Montgomery County.

Regards -

James E. Modrick
Vice President, Programs
MCCPTA

MCCPTA Sponsorship Opportunities

The support of our sponsors enables the Montgomery County Council of PTAs (MCCPTA) to advocate for every child and provide programs and services to local PTAs, schools, and families year round. In return for your support, MCCPTA Sponsors enjoy the following benefits.

SPONSOR: \$250

- Opportunity to participate free of charge in Fall OR Spring Training Vendors Showcases

Event Participation

Leadership Training - Each Fall and Spring, MCCPTA conducts training for the local leaders of the 194 PTA units in Montgomery County and county-level PTA leaders. Each training is attended by at least 200 volunteer leaders. Sponsors will be invited to participate in the Vendors Showcase, on a space available basis. Interested Sponsors are encouraged to respond in the time designated upon receiving the information to ensure space.

Sponsors may also provide logo items as in-kind donations, such as folders, note pads, or pens/pencils or sponsor snacks or a meal (depending on the time of the Training.) Contact the MCCPTA Office Manager at office@mccpta.org to discuss these additional opportunities.

Annual Celebration of Excellence Event - MCCPTA recognizes the efforts of PTA volunteers and their contribution to public education at our annual Celebration of Excellence Event, a countywide celebration. The event is attended by over 400 volunteers, school administrators, county and state officials, as well as our sponsors. Sponsors will receive invitations for the event for the appropriate amount of seats, as designated by the Sponsorship level. Sponsors may, at their choice, donate any anticipated unused seats to allow our deserving volunteers and staff to attend from schools that might not otherwise have funds for seats.

MCCPTA also offers opportunities for organizations or individuals wishing to make in-kind donations or sponsor an award. Please call the MCCPTA office for more information.

MCCPTA reserves the right to decline sponsorship in the event of a conflict with MCCPTA positions or requirements. We welcome support from our political candidates, however, to alleviate the appearance of supporting a particular candidate, may decline exhibitor space at our events.
