

Discontinuing Services? Moving?

Call at least one business day before you want the water service out of your name.

Be ready to provide a forwarding address—we will apply your deposit to your final reading and send you a refund or a final bill.

You cannot remove or add a name to an existing account. That account has to be closed and a new one opened with the new name(s).

If you already have service with us and are moving to another home within our district, call the office with your new information and your deposit can be transferred to your new account.
