

Triumph! Triathlon Team Code of Conduct

The Triumph Triathlon Team (T3) strives to create a safe and welcoming environment for all who are interested in participating in multi-sport events. This Code of Conduct is intended to outline the standards that members of T3 are expected to uphold in order to retain the privileges of their membership. Certain behaviors are unacceptable for members regardless of when or where they occur; if they affect other T3 members, the reputation and well-being of the team, or other participants in sporting events.

Expectations for members include:

1. Practice good sportsmanship at all times; treat other members, coaches, competitors, race officials, volunteers, and spectators with respect and courtesy.
2. When representing T3 or wearing a team kit, members will conduct themselves in a way that ensures their personal safety and the safety of others. This includes wearing bike helmets and riding safely and respectfully on the bike. Members shall be personally responsible for familiarizing themselves with the rules of the road, the rules of the sport, and necessary safety precautions.
3. Refrain from harassing any individual or engaging in any unwelcome visual, verbal, or physical conduct; if harassment by others is observed, take appropriate intervening action. We will not tolerate abuse in any form - physical, mental, sexual, or verbal.
4. Treat everyone equally regardless of age, sex, disability, race, color, ethnic origin, religion or sexual orientation and challenge any discriminatory behavior.

Failure to abide by the guidelines may result in revocation of membership in T3.

I have read and agree to uphold the Triumph Triathlon Team Code of Conduct.
