floss; lotions; baby needs

Lemont Food Pantries are in need of your most generous donations. A household that is earning minimum wage; has suffered a job loss; has medical expenses due to a handicapped child; a severe health issue; is a single parent home with no support; or for whatever reason lives paycheck to paycheck the relief that our two food pantries offer is to monthly receive a bag/couple bags of food and/or a voucher to Chipain's (for meat & dairy). This small relief enables this household to not have to choose between the cost of those groceries, paying a bill or buying the items that are necessary: personal care items, gas for the car, medicine, kids needs, etc. Your generosity provides great financial relief to many very financially strained homes.

All donations must be sealed & not expired.

Check Contributions are greatly appreciated and used to purchase fresh food vouchers. Make payable to "Lemont Food Pantry"

Call or Email Terri at terri-oneill@lemonttownship.org
