

2021 – 2022 COMPANY TEAMS DANCE SHOES

These are the required shoes for our company teams. We are switching out of turning shoes as we had several judges comment they prefer the look of jazz shoes over turning shoes on stage. We will do a tight order in the fall.

We like to match shoes and tights to skin tone. For our dancers with a darker skin tone, please visit this site for your jazz shoes. We found it to be priced well, offer different colors to choose from for the best match and the quality is great!
