

Shepherd's Center of St. Andrews

January 7, 2019

Dear Shepherd's Center Member,

I am pleased to welcome you back for another exciting Adventures In Learning Program beginning on Tuesday January 15, 2019. It was a pleasure to announce that we have asked one of our very own teachers, retired impresario Arnold Breman to fill the role of Executive Director. Arnold comes out of retirement After a fifty - year career in Arts Administration because he loves the mission and the students of our Center, and he plans to bring his successful professional experience to the table. We have asked him to keep teaching regularly as he works with us to steer the ship.

Amy Crook joins us as Operations Manager and we believe she will make life smooth and comfortable for all of us on Tuesdays. We are also proud to announce that after some very hard work by our Luncheon Committee, chaired by Ethel Crawford, we selected a new caterer, Tim Scott, who is committed to providing tasty, hot and plentiful lunches. He is set to roll out a delicious lunch for our first session. We have some delightful luncheon programs planned for you as well this year. Our first guest is Ronald Davis, first Tuba player of the South Carolina Philharmonic presenting a highly entertaining "TUBA TALES."

In order for you to meet and greet Arnold and Amy, and give them a big Shepherd's Center welcome, we would like to invite you to join us for a coffee klatch (Coffee and.....) at 8:30 on the morning of the 15th in Ashland Hall.

We know that 2019 will be another pleasurable year in our desire to enhance our retirement years. With best wishes for a great year, see you on the 15th

Cordially

BJ Bickers
President
