Wanggaard Stands with Governor Walker
Commends Governor for his Leadership on Common Core

The Wanggaard campaign issued the following statement regarding Governor Walker's call for the state legislature to repeal and replace Common Core Standards early next session:

"I fully agree with Governor Walker that repealing and replacing federal Common Core standards should be a top priority next legislative session, said Wanggaard. "The bottom line is that educational decisions are best made at the local level. We need to develop new standards that prepare students to be successful members of the workforce. Wisconsin can and must do better because our children deserve the best when it comes to education."

Van Wanggaard is running to retake the 21st State Senate district after he was recalled for standing with Governor Walker during the Act 10 battle. He now faces an August 12th primary election. He has been endorsed by Congressman Paul Ryan, Speaker Robin Vos, Representative Samantha Kerkman, Racine Tea Party PAC, and over 70 state and local leaders. A full list of endorsements can be found at www.voteforman.com. The 21st State Senate district covers parts of Racine and Kenosha County.
