Kyra Wagner, Market Promoter
Homer Farmers Market: Mission Statement

The Homer Farmers Market welcomes all growers of farm, garden, and greenhouse produce to participate in a weekly market. The Homer Farmers Market was established in 2000 to aid in the development of a sustainable local agricultural community for the benefit of the greater community of the Kachemak Bay area by:

- Being an outlet for producers of small quantities of products.
- Providing the consumer with an opportunity to purchase excellent garden/farm fresh products.
- Expanding economic activity.
- Fostering consumer-producer education and relations.
Tracy Veal: Certified Naturally Grown
Overview:

Quest Sold  Quest Match
2. **Vendor Application/Fees:**
   - Fees include **7.85%** sales tax and are non-refundable and non-transferable

5. **Market Location/Hours:**
   - Vendors may not begin selling before the Market opens, **with the exception of sales to other market vendors and their employees and market staff**. The Market Manager, or their designee, will announce the opening of each Market **with the ringing of a bell**. Selling to non-vendors prior to the opening bell may result in a notice of violation. Each market closing will also be announced by the ringing of a bell. **Market vendors are permitted to continue selling after the posted market hours**, however, see Section 36 for applicable Post-Season Vending policies.
7. Vendor Expectations:

Inform Market Manager, by email or phone call (note, the market phone does not receive texts), no later than Thursday 5:00 p.m. if unable to attend the Saturday Market, and by 5:00pm Tuesday if unable to attend the Wednesday market. We understand that emergencies come up, however, timely communication about absences is crucial to proper functioning of the Farmers Market.

Vendor space will be reassigned after 9:30 a.m. Saturday morning or 1:30 p.m. Wednesday afternoon if the Market Manager is not notified of late arrival. Available vendor spaces will be assigned by the on-site Market Manager.

Space-available vendors interested in a Saturday Market space must make a request to the Market Manager by 5:00 p.m. on the prior Thursday. E-mail is best, but you may phone in your request as well. You will be notified by 5:00pm Friday if HFM can accommodate your request. Space-available vendors interested in a Wednesday Market simply need to visit the Info Booth at 1:00pm on Wednesday. Wednesday spaces will be granted on a first-come, first-serve basis, provided all other priorities and guidelines are met.

Vendors may not broadcast music or other audio recordings in their booths or from their vehicles. Vendors selling these types of products may play recordings on devices with headphones only.
9. Vendor Set-Up/Clean-Up

Set-Up – Setup may begin at 8:30 a.m. for Saturday Market and 12:30pm for Wednesday Market and is to be completed before the Market opens. Each vendor is responsible for his or her own method of display. No vehicles may be driven in the Market area between 9:45 a.m. and 3:00 p.m. on Saturday and 1:45 and 5:00 p.m. on Wednesday.

Shelters, if used, should be sturdy, weighted against wind, and aesthetically pleasing. Shelters utilized by full season vendors may be left on site, throughout the Market season, only if they are securely weighted/tied down to prevent damage to other shelters during inclement weather (wind storms).

Shelters may not contain glass, visqueen or other plastic sheeting when not vending.

If full-season vendors have constructed a shelter that will remain in place throughout the season, it is with the understanding that this shelter may be utilized by other space-available vendors when the full-season vendor is unable to attend a Market. Any chairs, tables, signs, etc. should be appropriately secured, and must not prevent another vendor from utilizing the space. HFM is not responsible for any items left in the booth space.

Space available vendors will be placed in a different location each market, and must come to Market with any specific equipment they may need. Space available vendors may not receive a sheltered space, or a space that already includes tables, and must prepare accordingly. Space available vendors are not permitted to remove the signage from a full-season vendor’s booth that they may be utilizing for a given Market.
10. Kid’s Vending Policy

Vendors who set up without first checking in with the Market Manager may lose vending privileges.

25. Restrooms

There is a portable toilet on the Market grounds for use by customers and vendors, available/unlocked during set up and Market hours only.

30. Token Programs

Checks for the last reimbursement of the Market season will be mailed to the Vendor. Both QUEST and HFM coins do not expire, and may be turned in for reimbursement during the following year.
