DEGANIM

YOUR POWER BREAKFAST!™

Kosher mills™

Because fresher is better.

About Us

The company, established in 2010, specializes in the distribution of kosher products such as gluten-free hot and cold cereals, individually packaged flavored oats, farina, shortening, margarine, and oil. It is soon to add kosher beverages to its impressive list of product offerings. While kosher products are at the forefront of what the company distributes, it also boasts a wide variety of gluten-free, organic, and pareve foods.

The company's distributions include retail and institution-sized products for top brands like Kosher Mills and Deganim. Some of the many products offered by these brands include the popular Kosher Mills Pop-Quin Mini Quinoa Rice Cakes and Pop-Quin Puffed Quinoa Cereal, 100% kosher products from Y.E. Distributors, Inc. Both products are Badatz Yerushlaim kosher certified. They are also protein-rich and free of any gluten, corn, eggs, soy, sugar, dairy, and nut products.
