It isn't too late to sign your student up for the finale dance at recital! Register in your parent portal. Cost is a one-time fee of \$100 for the class that meets every Friday from now through the end of the season.

Weather related Cancellations

The Dance Co policy on weather related cancellations is a case by case decision. We do understand that there are many dancers that have to get across town to attend class. So please keep in mind that you make the final decision!

We try to make a decision by noon, but sometimes it is unavoidable and we have to make a later decision. Once we have made a decision on cancellation, we will send out a mass e-mail and change the voice mail message at the studio 319-377-2086.

Father/Daughter Classes

This class starts Friday, February 7, 2020 at 6:30 p.m. We like to think of this as a fun way for Dad's to get involved in our sport of dance! Many of the dancers see this as their date night with their dad.

All Dancers - in classes Kindergarten or older are invited to this class. Cost is \$100 for the first dancer and \$50 for each additional dancer. There is no charge for dancing dads. We will talk about what will be needed for costumes as the class progresses. You may enroll for Father / Daughter class online in your parent portal. Payment is due upon enrollment.

Recital Fees

Recital fees are due the week of January 13. Recital fee is \$60 for your first student and \$30 for any additional student.

Class Attendance

Class attendance is extremely important right now as we are starting our recital dances. Our studio policy is that each dancer is allowed to miss 10 dance classes and is then required to sign up for private lessons. Please make every attempt to be here.
