

Discovery Zone Preschool

Food Consumption Form

Throughout the school year at Discovery Zone Preschool, your child will have the opportunity to partake in numerous food experiences, including pizza on Fridays, cookies, cupcakes, and other treats that are brought in for birthday celebrations, and various science experiments that involve food preparing and /or tasting.

While we are careful to monitor foods that your child are allergic to or restricted from, we would also like to ensure that your child is not consuming any food products that you, the parent/guardian, do not deem acceptable for your child
