NOW, THEREFORE, THIS AGREEMENT WITNESSES:

Section 1: Definitions

65535.2 the following words and phrases shall have the meanings ascribed to them in this Section 1 for the purpose of this agreement;

assisting party means the Party requested to provide fire services hereunder by the Party primarily responsible for the provision of fire services within the boundaries of a municipality, whether or not assistance is actually extended;

per incident charge(s) means those charges for the provision of fire services set forth in Section 8 hereto, which charges may be adopted and which may be amended from time to time by bylaw of the Council of each Party;

fire services means fire-fighting, rescue and/or dangerous goods assistance and other mishaps which may occur in any municipality from time to time;

fire services agreement means an agreement between either Party hereto and another municipality by which certain fire-fighting and other services are provided to that municipality, but excludes mutual aid agreements between municipalities;

fire chief for the purposes of Sections 6 and 7 of this agreement, means the Chief of the Assisting Party or the Chief of the Requesting Party, as the case may be, and includes other personnel as are authorized by their department policy to request or extend aid under this agreement;

incident command procedures means those procedures for the establishment and transferring of command over fire-fighting and related services at the scene of an emergency response as described in Section 4 of this agreement; and

requesting party means the party which has the primary obligation to respond to fire alarms and other emergencies within a municipal territorial jurisdiction and which requests assistance from the other party pursuant to this agreement.

Section 2: Terms of Agreement

- 2.1 This agreement shall be of force and effect from the effective date, and shall continue in effect until terminated by either Party in accordance with the provisions of Section 13.

- 2.2 The effective date shall be the date upon which the last party executes this agreement, following ratification hereof by bylaw of the Councils of each Party.

Section 3: Fire Service Mutual Aid

- 3.1 As and from the effective date, each Party hereto may request fire services from the other Party and such fire services, if given, shall be requested and extended in accordance with and subject to the terms and conditions set forth in this agreement.

- 3.2 Fire services may be requested either where the Requesting Party:
- a] is unable to respond to a call within its jurisdiction, or
 - b] is unable to respond with sufficient manpower or equipment, in the opinion of the Requesting Party.

Further to the above, fire services may be extended without request if the Party that holds primary responsibility for the jurisdiction in which an emergency is taking place is unable to be contacted.

- 3.3 Where the Requesting Party is privy to a Fire Services Agreement, the geographic area covered in the Fire Services Agreement shall for the purposes hereof be deemed to be within the jurisdiction of the Requesting Party, without enquiry by the Assisting Party. In such cases, the Requesting Party shall be principally liable for the payment of the service charges of the Assisting Party whether or not the municipality receiving aid under the Fire Services Agreement disputes such charges.

Section 4: Jurisdiction and Command

- 4.1 Where the Requesting Party has been unable to respond to a call for fire services, and the aid of the Assisting Party is requested, the Assisting Party shall have command of the response and shall provide fire services in accordance with all applicable policies, operating procedures, directives, manuals and/or practices of the Assisting Party.

- 4.2 Where the Requesting Party requests assistance but has responded or intends to respond to a call, the first Party on the scene shall establish a command, and shall retain jurisdiction and command over fire services unless command is formally turned over to the other Party in accordance with appropriate Incident Command Procedures.

Section 5: Effect of Command

- 5.1 The Party which establishes or assumes command may direct the other Party in accordance with the policies, procedures, practices and methodologies adopted or followed by the commanding Party.
- 5.2 The Party subject to the commands of the other shall respond to such command whether or not such commands are in accordance with policies, procedures, practices and methodologies adopted or followed by the subordinate Party.
- 5.3 Nothing set forth in subsections 5.1 or 5.2 above shall require the subordinate Party to act or suffer or permit any action which may be contrary to law or which places the personnel or equipment of that Party unduly at risk.

Section 6: Assistance Discretionary

- 6.1 The Parties acknowledge that each has a primary obligation to provide fire services within the boundaries of its own municipality and/or Fire Protection District, and that the provision of aid to the Requesting Party may not be advisable, on a call by call basis, having regard to such factors as the state of available resources, the nature of the incident giving rise to the request for aid, the traveling distance involved, and the existence or apprehension of emergencies or potential emergencies within the Assisting Party's municipality. Accordingly, the Fire Chief of a Party that receives a request to assist another Party shall have the sole and unfettered discretion to decline to authorize fire services to the Requesting Party. Further, the Assisting Party may divert personnel and equipment to another scene notwithstanding a response in aid of the Requesting Party or may withdraw from a scene, whether or not the Assisting Party is in command thereof, if in the sole discretion of the Fire Chief of the Assisting Party another alarm, emergency or location should be afforded a higher priority, and may upon providing reasons, exercise such discretion.

- 14.6 Notwithstanding anything to the contrary contained in this agreement, if either of the parties is bona fide delayed or hindered in or prevented from performance of any term, covenant or act required in this agreement by reason of strikes, lockouts, labour trouble, inability to procure materials, government intervention or other casualty or contingency beyond the reasonable control of such party to avoid delay, excluding solvency, lack of funds or other financial cause of delay (hereby known as "Unavoidable Delay"), such performance shall be excused for the period of the delay and the period within which performance is to be effected shall be extended by the period of such delay.
- 14.7 Any notice or demand required or permitted to be given to either party hereto pursuant to this agreement (excluding requests for assistance contemplated in Section 3) shall be in writing and may be delivered to the party in person (or agent) or by sending it by prepaid registered mail, addressed to the other party or to such alternate address as either party may by notice from time to time advise, and if mailed as aforesaid shall be deemed to be given three (3) days following the date of such mailing.

Any such notice, demand, request or consent is conclusively deemed to have been given or made on the day upon which it is delivered, or if mailed and postal service is interrupted or substantially delayed, any notice, demand, request or other instrument shall be delivered only in person to the other party.
