ABOUT US

Let us take the privilege of introducing ourselves. Alismail Industrial Company is one of the pioneers in manufacturing & fabricating of steel furniture in kingdom of Saudi Arabia.

In 1972, the company began operations in a modest Factory in Dammam. Forty years later, ALISMAIL has become a major manufacturing company due to there markable growth it experienced from the start.

Alismail Industrial Company is now considered as one of the biggest and more advanced company, also leader in producing top of the line and quality Furniture for offices, camps, restaurants, hospitals, schools and other accommodations where furniture is required.

We also strive to maintain a quality work envionment, which has a direct impact on the retention and productivity of our skilled employees. Alismail is a model of excellence whose entrepreneurial performance and vitality have been rewarded with numerous prestigious awards.

Our commitment to sustainable development is also recognized in our industry. For all these reasons, I take great pride in presenting Alismail Industrial Company to you, an industry leader and a contributor to the econmic and social development of our communities through its products, its success and its responsible vision.
