

## PRODUCT DATA SHEET

### **CITRA CRYSTALS – HEAVY DUTY CONCRETE AND EQUIPMENT CLEANER**

#### **DESCRIPTION**

**Citra Crystals** quickly strips away grease, oil and dirt from concrete and other washable surfaces. This balanced blend of special builders, solvents and surfactants acts quickly. This product is safe to use on almost any surface due to the all-natural solvent d'Limonene that this powdered detergent has been fortified with.

#### **FEATURES**

- **FREE RINSING**
- **COLOR CHANGES TO INDICATE PRODUCT STRENGTH**
- **FRESH SCENT**
- **HEAVY DUTY CLEANER**

#### **USE AND DIRECTIONS**

**For concrete:** Sprinkle on wet concrete and scrub with a stiff broom. Rinse using clean water

**General cleaning:** Add 4-16 ounces to 5 gallons of water then sponge, mop or spray the mixture onto surfaces

**Soak Tank Degreasing:** Add ½ to 1 pound per gallon of hot water. Dry all cleaned parts to avoid flash rusting
