

How to Earn MeadowMore Cup Points

(Divisions for this event beginning in 2020 will be 0 – 9, 10 – 15, 16 & higher)

If any member has a desire to make the Allenmore MeadowMore Cup Team, you must earn points throughout the Spring and Summer season. The concept is simple, participate in Men's Club Events (not just tournaments) and earn points. The better you play in qualifying events, the more points you earn.

At the conclusion of the Men's Club Championship each year our 12-player team will be determined by 3 automatic qualifiers in 3 divisions as well as 3 Captain's picks. The Captain will be announced at our August Men's Club Meeting. We have revised our points earning process to gauge individual and/or match-play competition only. The process is described below:

Captain Selection:

Any active member wishing to become the team captain should submit their name to the Tournament Director prior to the August Men's Club Meeting. Members may also be nominated by any active member in good standing. The Tournament Director will convene a 5-person selection committee consisting of The Tournament Director, The Handicap Chairman, The Club President, and 2 at-large members based on interest and/or suggestions from the Executive Board.

Once a captain is determined, and accepts the position, he will then be responsible for coordinating the team, to include match-ups and the selection of his 3 captain's picks (one from each division) and 2 alternate picks. The team in its entirety will consist of 15 players (including the captain and 2 alternates). The team captain may also be a player on the team. Either through the automatic qualifying points system or he may be his own captain's pick (in which he would then only select 2 other captain's picks).

Standard Points Events:

The first Men's Club weekend desk game each month between March and August will be medal play competition. This is the best way to gauge individual performance. All members have the opportunity to participate over the course of each weekend. If 20 or more members participate, the top 10 finishers will receive points. If fewer than 20 participate, the top 5 finishers will receive points. Any member may play as many times as they like over the course of the weekend competition. **YOUR BEST ROUND** will be counted for points purposes.

Our annual Match-Play tournament will award bonus points to the top 6 finishers in each division. Point values have been doubled for this event. This is our best gauge for actual Match-Play competition.

The Memorial Tournament will award points to the top 10 finishers. Once again, **YOUR BEST ROUND** will be counted (for those choosing to play more than once) for points purposes.

The Men's Club Championship will be the final event of the season and is considered a Major. The top 10 finishers **IN EACH DIVISION** will be awarded **DOUBLE** points for this event.

Bonus Points:

Members will receive 2 bonus points for every Men's Club Meeting attended between March and August.

Members will receive 3 bonus points for each of the above listed tournaments they participate in. 6 points for the Men's Club Championship.

Simple Requirements:

1. You must be an active Men's Club member when you participate.
2. You must play in accordance with the rules of golf in effect at the time and hole all putts.

Contact our tournament director, Jim Young, at any time if you have any questions or concerns. The MeadowMore Cup will be played at Allenmore Golf Course on even calendar years, and Meadow Park Golf course in odd calendar years, usually in the 3rd week in September. A leaderboard of point's earners will be kept current on our website under the Members Only and Tournament Results Section. Associate Members are not eligible for MeadowMore Cup points.

The Sam Allen Cup:

FORMAT: The top 24 MeadowMore Cup Point earners are invited to participate in this tournament. The top 2 earners will be Captains and will select 11 members each to their respective team in alternating order. These 2 12-Man teams will compete over 2 days in a President's Cup format, alternating shots on day one, and singles competition on day 2. As a gesture to reward our Men's Club Members for their annual participation in all golf course related activities, the Elks will comp all players green fees on both days for this event, and there will be no entry fee. If players on the MeadowMore Points list are unable to participate, we will continue down the list until we have 24 commitments. **This tournament will be scheduled in September of each year immediately after the club championship, and prior to the MeadowMore Cup.** Winner prizes will be determined at a later time.

Tournament Points Charts

(Divisions for this event beginning in 2020 will be 0 – 9, 10 – 15, 16 & higher)

10-Finishers

| | |
|------|-------|
| 1st | 33.30 |
| 2nd | 22.20 |
| 3rd | 15.54 |
| 4th | 11.66 |
