

# Sensory and Obstacle Clinic

Napa Valley Horsemen's Association

1200 Foster Road, Napa

August 26, 2017 10am to 4pm

- Horse Physiology and Psychology
- Body Control
- Effective hand, leg and seat positions
- Problem solving
- Arena and trail course

This clinic can be done from the ground and/or the saddle. You will learn to negotiate sensory items and obstacles while creating better communication with your horse.

Susan Dockter has been the trainer for the San Francisco Mounted Police and the East Bay Regional Mounted Police since 2014. She is a recommended trainer for Chris Cox Horsemanship and has an extensive background in foundation training and problem solving. Susan is a Judge, Clinician, Coach and Competitor with over 20 years of experience.
