Thank you for your generous support!

GOSPEL REFLECTION

The blind beggar in today's Gospel (*Mk 10:46-52*) represents us before baptism. We were poor like him; we could not see spiritually, deprived as we were of the gift of faith. Through baptism we received a share in God's riches and through faith we enjoyed the gift of sight. The story of Bartimaeus' healing is an instant success. His sight is completely restored and, after throwing off his possessions, he follows Jesus on the way to Jerusalem. How can we follow Jesus up to Calvary? In every Mass we follow Christ, in a sense, up the hill of Calvary because in the Mass we stand at the foot of the cross, sharing in the one sacrifice of Christ. The Mass is an invitation for us to offer ourselves with Christ, our great High Priest, to the heavenly Father, to pledge that we will persevere in our Catholic faith, and that we will be loyal and faithful to Christ and his Church until death. Today we can ask, "Where shall we go or to whom shall we turn?" How could we ever abandon Christ who has given us the gift of faith, who has made us children of God by our baptism, and who promises us everlasting life? When we get to heaven we will enjoy the Beatific Vision of God. Faith will be transform into sight, and we will say, "Now I see the meaning of all that Jesus has done for us." We need to ask ourselves: Is our Christian life about getting or becoming to follow Jesus? Seek Christ not for what you can get but for what you can become.

Rev. Romeo Hontiveros

Parishioners of Immaculate Conception Catholic Church,

As many of you may know, we here at IC have been working for the last few years to bring musical programs to our church. The purpose was twofold: first, to provide the community with beautiful music, reflection and fellowship, second, to raise funds for the continuation of such programming and the ability to upgrade our musical capabilities and resources to enhance our liturgical experience. It has been difficult to provide a consistent series of programs due to lack of musical resources in our area. However, we have received the opportunity to upgrade our church organ. This has been a long term goal that has come sooner than expected. This newer organ will dramatically improve the quality of our services and widen the voicing possibilities that will accommodate a larger range in repertoire. I would like to assure the community that we will not forget those who generosity donated our current organ. We will make sure their legacy will not be soon forgotten. The parish council was delighted with this news and the installation will take place soon in the coming weeks. At this time there will be no cost to the parish for the new organ console, however, we will continue fundraising to install a better sounds system and organ computer programming. Stay tuned as more information is yet to come.

Thank you and God Bless, *Michael Uribe*
