

RLC FARMS LLC

REGISTERED PUREBRED QUALITY CATTLE
FOR SALE

This is your opportunity to own quality, purebred animals from what was the largest British White Park farm in Minnesota at a very discounted price! Help out a fellow breeder during a severe drought and be excited about your new additions! Thank you!

THIS IS NOT A CULL SALE!!! We never sell anything but nice animals!

Never before have we had this large of an offering, and you may never again see these great deals! We are in an extreme drought and future outlook this year is not good. Therefore, we need to offer animals at a fantastic price so we can temporarily downsize and not have to buy hay! We have spent 20 years developing this quality herd and are very fussy on our culling, even down to castrating a good bull just because he has a half white hoof! We know the bull is 50% of the herd and has to be the best. We have bred for color, build, disposition, marbling and more. Most of our cattle know their names and are like part of the family. When you buy an animal from RLC Farms LLC, you will not be disappointed...just ask any of our many repeat customers!
