

EXPECTATIONS OF PLAYERS POLICY

The primary goal of the P2P Sports Summer Club program is to develop players to their full potential. As they prosper in their development on the court, we expect and will constantly strive to help them achieve the highest level of class, decorum and expectations of them as an individual.

Players will fully understand the level of commitment it requires in order to excel and achieve at the next level. When a player participates in sports, one of the most overlooked aspects of participation is the commitment to their teammates, coaches, and how they represent their family and school. The level of expectations participating in spring/summer club basketball hosted by P2P Sports is high and set that way to make sure the financial and time commitment of parents and players is honored. Many times that commitment is taught to them and our responsibility.

Players CANNOT PARTICIPATE ON MULTIPLE CLUB TEAMS while on a P2P Sports Club Team. Exceptions must be approved by the club director. Players who violate this rule will be dismissed from the club.

All PRACTICES ARE MANDATORY.

If a player is unable to attend a practice, they are responsible for letting the head coach know 24 hours in advance. If a player does not notify their team coach about missing practice, they will be required to sit out the first half of their next game. A second violation results in a suspension for an entire game. If it happens a 3rd time, the head coach will inform the club director. Following the 3rd violation, the parent(s) of the player must have a phone conversation with the club director. Legitimate reasons for missing practices are listed below.

P2P Sports has a NO TOLERANCE policy regarding missed games. As we realize things may come up, it is required by the players to inform the head coach 24 hours prior to a game if they are not attending. Each absence will be evaluated accordingly. Please refer to acceptable absences below.

Legitimate reasons for missing practices or games include family illness, injury, school activities, religious commitments and family vacations. Family vacations must be communicated with the head coach when a player accepts a position on a team.
