## Welcome to the Geneva Family YMCA 2016 Summer Programming Guide

At the Geneva Family YMCA we provide a safe, affordable and fun day camp experience for children ages 4– 12.

Our summer program provides a range of activities to entice everyone's interest, in an atmosphere that reinforces the values of caring, honesty, respect and responsibility.

Children will enjoy a summer full of nature, water fun, games, field trips, sports, arts & crafts and new friendships.

Weekly themes allow your child to make new discoveries and explore activities of interest such as sports, art/theater/music, science and more.

This year we are pleased to welcome back Donna Wandell as our Senior Camp Director and Carol Lozada as our Jr. Camp Director.

Activities include crafts, group games, individual time, gym time, swim time, outdoor activities and snacks. Children are bused from North Street School and St. Stephen's School, as well as walked by YMCA staff from West Street School.
