

Linda Hutton, MSW, LISW-CP
Child, Adolescent, Adult and Family Therapy

Linda has over 30 years of clinical experience in working with children, adolescents, families, and adults. She received a BA with honors from the University of Florida and a Masters in Social Work from Florida State University. As part of graduate training, she completed 2 internships in the Department of Child Psychiatry at the University of Florida's Sands Teaching Hospital.

Upon relocation to Greenville, Linda worked 14 years at the Greenville Mental Health Center providing outpatient therapy to children, adolescents, and families. She has continued her clinical work at Bay Laurel Center over the past 2 decades.

Linda's approach to therapy is collaborative and positive. She is goal oriented to reach the outcome her client's desire. Work may include healing from trauma, abuse or loss, adjusting to changing life circumstances or dealing with emotional, behavioral, developmental, and relational issues.

Linda is a past board member of Greenville Rape Crisis Council, SC Society for Clinical Social Work, and also served several years as Chair of Ballooning Events for Freedom Weekend Aloft. She currently volunteers with the American Red Cross and Medical Reserve Corp.

While at work, Linda is usually accompanied by her canine therapeutic assistant, Fripp. Linda and Fripp feel privileged and very grateful to be able to do this work.
