## TCOLE Personal History Statement Template Instructions

The attached Personal History Statement (PHS) is intended as a sample of what TCOLE considers to be the minimum information necessary to meet the required background investigation (BI) for any law enforcement licensee appointed to an agency, as defined under TCOLE Rule 211.1(a)(8).

Agency administrators may modify the attached document or use their own version of a BI or PHS document, as long as it is substantially similar to the attached sample. Individual questions may be added or deleted according to the requirements of the appointing agency. They may also decide at which stage in the pre-appointment process the PHS/BI will be completed as long as it is done before the applicant is appointed. The objective is to help the agency's chief administrator to make an informed decision based on factual and verifiable information.

The PHS/BI is an auditable document which must be retained along with all other required TCOLE appointment documents through the licensee's employment and five (5) years after he or she leaves the agency.

These instructions are provided as a guide to assist you in properly completing your Personal History Statement. <u>It is essential that the information is accurate in all respects so please read all instructions carefully before proceeding</u>. The Personal History Statement will be used as a basis for a background investigation that will determine your eligibility for becoming an employee.

- 5. If you need additional space for your answers, attach additional sheets as needed. Be sure to indicate what question number and page this refers to.
- 6. An accurate and complete form will help expedite your investigation. <u>Omissions or falsifications</u> will result in disqualification.
- 7. You are responsible for furnishing any changes and/or updating your application as needed, such as address changes or telephone changes in writing.
- 8. Any candidate submitting an incomplete application <u>WILL NOT BE CONSIDERED FOR EMPLOYMENT</u>. Your application will be evaluated on completeness and neatness.

In fact, the number one reason individuals "fail" background investigations is because they deliberately withhold or misrepresent job-relevant information from their prospective employer. |
