

# Chula Vista Learning Community Charter School

---

Dear Parents,

From all of us here at the Chula Vista Learning Community Charter School, we wish you the very best during the Winter Break. We look forward to seeing you in January 2018. The last day of school for students is Friday, December 15, 2017. Students return on Tuesday, January 9, 2018.

---

Evaluation of Learning – Each school site, Elementary, Middle and High School, will send information to our parent community with regards to student academic progress. These scheduled events will give you the opportunity to learn about your child's social, moral and academic development. For any additional information, please contact your school site secretary.

---

The Chula Vista Learning Community Charter School continues to be a beacon of educational excellence. Recently, the school was visited by educators around San Diego County during a "Red Carpet" tour of effective dual language programs. Visiting educators were extremely impressed with the High School program, as well as the teaching and learning at all school sites.

The Chula Vista Learning Community Charter School was also showcased in an article in the November issue of New America – for more information on the article, please contact your school site leader or visit [newamerica.org/education-policy](http://newamerica.org/education-policy).
