January &
February 2019

Happy New Year! We hope everyone had a wonderful and restful time off during the Christmas break. It's hard to believe 2019 has arrived.....

In January our teachers will discuss with the children all things related to winter, the Chinese New Year, hibernation, snowmen, penguins and polar bears. During the month of February is when we'll teach the children about various ways we show love, kindness and sharing towards one another. We will also talk about using gentle hands, giving hugs and holding hands with our friends.

Children's assessments for the older 2's, 3 year old classrooms and Pre-K will be completed by January 25th. The assessments explain in detail how much your child has learned the first half of the school year. There will be an opportunity for families to schedule a time to have a conference if there are any questions/concerns you'd like to discuss with your child's teacher. Conferences will take place the week of January 28th thru 31st. A sign-up sheet with times and dates will be posted outside their classroom.

The 2019-2020 Student Application will be distributed to currently enrolled families the last week in January. In order to secure a classroom spot for the upcoming school year this form along with the annual registration fee must be fully filled out and returned to the front office by Monday, February 25th. The last day for families not returning for the new school year is Friday, August 23rd.

Proceeds collected from the school candle fundraiser enabled us to buy 10 wooden puzzles, playground bounce balls, megaphones for three classrooms, a dozen hardback classic books, 7 playhouses for the classrooms and indoor playrooms and a magnetic science game kit. Thank you very much for making this event such a success for our school!
