The City of Moran would like to reach out to our community and let you all know that flushing certain products down your toilet into our sewer system can not only cause you and your personal sewer lines but clogging to our City sewer mains. Clogging of the lines can become costly not only to us but you as customers of the city. Please see the diagram below to help remind you of what shouldn't be flushed.

Never flush down the toilet:

General Elections ...

Will be held at the Moran Senior/Community Center on Tuesday, November 7th, 2017

Check your registration status at

<https://myvoteinfo.voteeks.org/VoterView/RegistrantSearch.do>

Register to vote at Moran City Hall or the Allen County Clerk's Office. Forms are also available online at:

School is in Session.....

The City of Moran would like to encourage motorist to be observant of the speed zones and children walking and riding their bikes around town and the Marmaton Valley Campus.

20 mph speed limits have been established on Oak Street just south of the school complex and N. Birch Street between the 400 and 700 blocks. Additionally, a lighted 20 mph zone is enforced on HWY 59 between Walnut and Church Streets during the following times Monday—Friday:

7:30 am— 8:30 am

11:00 am—12:30 pm

3:00 pm—4:00 pm

Tips for Smart Trick-or-Treating

- * Only go to homes with a porch light turned on.
- * Use sidewalks & driveways to approach homes not yards.
- * Wear BRIGHT colors when out after dark.
- * Don't allow children to eat any candy before it's checked. Throw away any candy that looks unusual or is unwrapped.
- * Always carry a flashlight with fresh batteries.
- * Young children should always be accompanied by a parent or adult. Older children should stay in groups, walk slowly and only trick-or-treat in familiar neighborhoods.

Flu Shots **September 27, 2017** at the Moran Senior Center from **9:00am to 10:00am**. Shots will be provided by South East Kansas Multi-Health Department. Insurance is billable.
