Welcome to 2020: The Age of Electronic Meetings!

This is an adventure for us as well as for you. With the COVID 19 physical and social distancing in effect, we are unable to hold our regular luncheon meetings at the Elks (they are closed to us for now), but we can still meet via Zoom. Not the same socially, but it's the best we can do right now. We will resume regular meetings once the State and County permit it.

Meeting Details:

Date: Monday May 11, 2020

Location/Media: Zoom via Telephone or Computer (Instructions below)

Place: Your Electronic Device

Times: 12:15 – 12:30 PM Join meeting room by Zoom via Telephone or Computer
12:30-2:00 PM Presentation

Presentation: Everything You Always Wanted to Know about Pension Trust

Presented by: Carl Nelson, Executive Director & Amy Burke, Assistant E.D. at Pension Trust

Lunch: Brown Bag. This is your opportunity to eat your own food in your own home

Cost: None!

Bonus: Board Meeting follows the regular meeting for about 30-45 minutes. All are welcome.

There are two ways that members can join our May meeting, either by phone (audio only) or by Zoom (both audio and video options). If you do not have the Zoom app on your smart phone/iPad/Tablet, either download the app to your smart devices via the app store, or by visiting Zoom.us and creating an account on your computer/laptop. There is no cost to do either option. Using your computer or other electronic device, you should be able to see the slides Carl will present and also hear what he has to say. We will also post slides at slocrea.org.

Instructions to attend the meeting:

By Phone: Audio Only

If you do not have a computer, feel free to call the telephone number given below to join the audio part of the meeting. You'll be able to hear the presentation but won't be able to see the slides or any people. You will still have to be admitted by Larry, our host. You may have to wait a couple of minutes. We will post the slides on our website.

He will mute everyone and adjust settings so that we'll all be able to see Carl &/or his slides, and also hear him.

We still have one vacant Directorship we would love to fill.. It's always a good idea to have overlap between long-term board members and new board members for continuity. We extend an open invitation to anyone who may be interested in joining the board to inquire further &/or attend a board meeting. The most important requirement is to use computers with facility.

We hope you are staying well! If you need any kind of help because of COVID19, go to www.ReadySLO.org or call County Office of Emergency Services at 1-805-781-501.
